RE: JOHN PETEREC-TOLINO v PENNROSE LLC; et al.

CASE NO. 24-CV-06911 (JGK) (SDA)

---

Honorable: John G. Koeltl

United States District Court Justice

Honorable: Stuart D. Aaron

United States District Court Magistrate Justice

500 Pearl Street, New York, N.Y. 10007

Courtroom 14-A

**REQUEST FOR STATUS  
OF SERVICE**

Dear Judge Koeltl & Magistrate Aaron, I, John Peterec-Tolino am the Plaintiff/  
Petitioner in the above stated case. I write to ask this Honorable Court for status of  
ordering the Court Clerk to providing Service of Summonses and the Second  
Amended Verified Complaints to the US Marshals for process service upon the US  
Fish & Wildlife Service and the US Department of the Interior (which  
are at the same Washington D.C. address)

When I filed my Second Amended Verified Complaint (and thank-you judge  
Koeltl for granting me such at the phone conference), back on Friday 14<sup>th</sup>, 2025,  
I also submitted and filed two (2) USM-285 US Marshals Process Receipt &  
Return forms, one for the US Fish & Wildlife Service and the other for the US  
Department of the Interior.

However, being the US Fish & Wildlife Service is a division within the US Department of the Interior ( having that same Washington D.C. address), only the US Fish & Wildlife Service is the new and added defendant as only they can designate what is 'critical habitat' for an endangered species which the Monarch Butterfly will soon be categorized as, any day now.

All defendants herein have agreed to delay the previous scheduling order via the January phone conference so-as the US Fish & Wildlife Service can become a part of this case and its jurisdiction and to be conferred with. I hereby thank each defendant for extending that courtesy and not to keep them waiting, I am respectfully extending a pro-active approach so as to facilitate such as expeditiously as possible.

March 12<sup>th</sup>,  
2025

Respectfully submitted,

A handwritten signature in cursive script, reading "John Peterec-Tolino", written over a horizontal dashed line.
